Join us for the 10th Annual Swing for Re-Entry Charity Golf Tournament, a premier event bringing together community leaders, businesses, and golf enthusiasts in support of meaningful second chances.

As we celebrate this milestone 10th year, LCRC is proud to highlight a strategic partnership with the Liberty County Sheriff's Office, with Sheriff Will Bowman joining us as a special guest. This collaboration reflects a shared commitment to improving public safety, reducing recidivism, and strengthening pathways for successful reentry.

Proceeds from this event directly support the SOAR Re-Entry Center, where we provide critical services that help people rebuild their lives with accountability, and opportunity.
